THE KOSHER COSA NOSTRA

Official Publication of the American Nazi Party

THE ROCKWELL REPORT is published fortnightly by the American Nazi Party at 928 N. Randolph St., Arlington, Virginia, U. S. A. Single copy, 50¢. One year, mailed first class in plain, unmarked envelope, $10, Air Mail, $11. One month, $1. Clippings welcomed.

Readers of the ROCKWELL REPORT are ordinarily about 95% better informed than the average citizen, especially on the Jewish Question.

Yet there is one aspect of Jewish operations in America which has hardly ever been mentioned by those who are "Jew-wise". Jewish involvement in Communism, race-mixing, pornography, treasonable Zionism, "mental-health", etc., is fairly well known. But until the Valachi hearings here in Washington last month, I myself did not realize the extent of Jewish involvement in BIG-TIME CRIME.

Valachi, the singing canary of "Cosa Nostra", was "spilling the beans" on dozens of ITALIAN gangsters.

And, there are certainly plenty of these latter. Everybody knows that the "Mafia", for instance, is almost entirely Sicilian. That does not mean, of course, that ALL Sicilians or ALL Italians are "gangsters", or that all gangsters are Sicilians. (This is a perfect parallel, by the way, to the fact that COMMUNISM is JEWISH, although all Jews are NOT Communists, and all Communists are not Jews. But Communism is STILL a JEW movement, just as the Mafia is an ITALIAN movement.)

But what I didn't know is that there are TWO COMPETING MAJOR CRIME MOBS IN THE USA!

One gang is the well-known Sicilians and Italians. EVERYBODY hears about them all the time. In fact, after "The Untouchables" got going a few years ago, the Italian societies in America got together and protested about the "smearing" of Italian names by the program. The program--in line with the usual distortion of facts to please minority groups--thereupon began to appear for a while with gangsters invaribaly named DePeyster, Livingstone, Oleson, etc.! But not for long. Soon the Jewish TV moguls were back at the old stand with their "cops and wops" production. This roused my suspicions. Jew are always on the side of ANY minority, no matter what kind of criminals they are (unless they are NAZIS, of course.) But here they were blasting away at the Italians again. I wondered how come. I kept the problem in the back of my mind and kept chewing on it.

Then came Valachi. He paraded a long string of more ITALIAN gangsters and criminals before America, with the full Jew TV treatment. I noticed here and there a fleeting mention of a few Jew names, like Mickey Cohen and Bugsy Siegel. After years of experience in watching the Jews whitewash THEIR guys and set the hounds onto decoys, I smelled a Jew rat and did some research

In the library stacks I found an amazing book which has DISAPPEARED from the "popular" shelves. It came out in a "paper-back" edition, but you CAN'T FIND IT TODAY!

The book is "MURDER, INC."

And it is no wonder it has disappeared!

Without any more introductory remarks, here is a table of the main characters in "Murder, Inc.," the most vicious national gang in America until it was busted by Tom Dewey. Anybody can go to the library, get this book, and see for himself that I have not editorialized or exaggerated one bit.

The book reveals that in the 1930's, the Sicilians were the crime bosses in America. But, as in every other field in America, the Jews moved in when their boy FDR moved into the White House. The Jews called the Italian gangsters "greasers," "moustache-petes," and "handlebar-guys," for obvious reasons.

And they moved them out by a very direct method--they murdered them.

In Brooklyn, for instance, the SHAPIRO brothers were determined to be the big guns of crime and move the Italians out.

So they did. Meyer and Jake Shapiro murdered the "handlebar-guys" and took over. Louis ("Lepke") Buchalter, a tough little Jew from New York's lower East Side took over in Manhattan and became boss of the whole "Murder, Inc."

In Jersey, it was "Longy" Zwillman and his gang of Jew hoods which cleaned out the "moustache-petes."

Everywhere, these Jews were mysteriously FREED by the Courts, time after time, in spite of massive evidence.

Somebody at the highest level was HELPING these Jews take over! I personally have little doubt WHO it was, especially when we also learn, in this amazing book, that ONE OF THE CHIEF CHARACTERS IN ALL OF THIS WAS SIDNEY HILLMAN, A REVOLUTIONARY RUSSIAN JEW WHO BECAME A TOP U. S. "LABOR" LEADER AND WHO WAS DIRECTLY TIED TO THESE CRIMINALS, BUT WHO WAS ROOSEVELT'S TOP ADVISOR AND CRONY! In spite of the most damning evidence against this ugly Red Russian Jew, Hillman, nobody could "touch" him!

Then along came Republican Tom Dewey, and he refused to play dead for FDR and his Jew gang.

Dewey, the "gangbuster," went after Jew Buchalter and his filthy national gang of killers and criminals and managed to fry a lot of them in Sing Sing's electric chair, including the boss himself, Buchalter.

Dewey did such a job on these Jews that they were unable to "hold the fort" against the up-and-coming Italians. The Italians wasted no time and moved in fast.

The result was "Cosa Nostra," which dominated things for many years until FDR Number Two, Jake Kennedy, the Jews' and niggers' president, got in.

Just as the Jews moved the Italians out under their patron, Saint Franklin, with the election of Kennedy the Jews started a major move against the Italians once more.

First step was for the Jew, Walter Winchell (Isadore Lipshitz) to organize a truly artistic smear against the Italians, "The Untouchables."

I knew what kind of lying louse and Jew villain Winchell was, but I must admit that I enjoyed "The Untouchables" when it first began, and couldn't see the "cold deck" which was being dealt. After studying "Murder, Inc.," however, I realize that Izzy was greasing the skids for the "greasers," just as they did in the '30's with FDR--and a wonderful grease job it was!

Enter Valachi

When the grease was good and thick on the skids, Valachi was trotted out for the "kill".

I don't think Valachi, and much less Chairman McClellan, know anything about their parts in the scheme.

McClellan, I beleive, is sincere, and is very laudably going after a filthy, national ring of evil and violence. But with their usual infinite genius, the Jews have fixed things so that the drive is SELECTIVE: It goes after their ENEMIES, and slides by their FRIENDS--just as an earlier labor-rackets investigation went after anti-Red

Jimmy Hoffa, tooth and nail, but beautifully WHITEWASHED pro-Soviet Walter Reuther.

The Italian gangsters and Jimmy Hoffa probably don't realize exactly WHY they are getting it, but it comes directly from the Jew masterminds in the wings of the White House. The Jews want the scalps of the SOUTH, of HOFFA, and of Italian gang bosses. So the Jews are going after these things with the Justice Department, with their TV and all the other engines of national power which they own and operate.

The really sad part about this is that none of the sufferers ever realize WHO is attacking them and WHY. They always imagine it is for economic power or other ordinary reasons. They never think of RACE, which is the source of all power drives, as is all history. The drives against Hoffa and the Italians are the drives for POWER OF THE JEW RACE

Only when the rest of us UNITE against this Jewish, racial power-drive, can we hope to survive.

WHO CARES WHEN WHITE MEN ARE LYNCHED?

Man Is Burned, Negroes Blamed

ATLANTA, Nov. 12 (AP).—A 39-year-old white man was seized by several Negro youths, who dragged him several blocks and set his clothing afire, police reported.

The victim, William Lanigan, was reported in serious condition at a hospital yesterday with third-degree burns over the upper part of his body.

Detectives said Mr. Lanigan was unable to give a coherent statement, but related that the youths dragged him to the rear of a residence and set his clothing on fire.

Here is a photo of a WHOLE PAGE of the "Washington Evening Star." Blown up in the insert is an article buried way down in the lowest corner of the page!

It tells the incredible story of a WHITE MAN seized by a gang of niggers! The black monsters poured gas and oil on the innocent, helpless victim (who had raped no one, and done nothing except be

WHITE) and set him on FIRE, in screaming, horrible agony! Think of it!

This little incident is utterly buried in our news-papers.

CAN YOU IMAGINE WHAT THE PRESS, TV, RADIO, MAGAZINES, ETC. WOULD HAVE DONE IF THE SITUATION WERE REVERSED?--IF SOME WHITE MEN IN BIRMINGHAM, FOR INSTANCE, HAD SET A NIGGER ON FIRE?

How STUPID and TWISTED can our people GET?

Shame on the White Race

Here are photostats of the scheduled witnesses on the Congressional bills to turn D.C. over to the niggers, --"home rule", they call it.

ANY American can testify in these hearings, and, when they were first announced, I spent more than fifty dollars and a lot of work sending out special letters to two or three hundred top right-wing leaders begging them to get somebody here to oppose this idiocy. (Can you IMAGINE the niggers in Ghana, for instance, turning over the government of Accra, the nigger capital, to WHITE MEN, - or the Jews in Israel turning over the government of Tel Aviv or Jerusalem to CHRISTIANS?)

It costs NOTHING to testify, and nobody had to admit he was a "racist" or an "anti-semite". The proponents of these bills are following the COMMUNIST line to a "T", and EVERY decent American ought to fight it.

The result was that SEVENTY witnesses are scheduled to testify. SIXTY-NINE (appropriate figure) for the reds and niggers, ---and only ONE, --ME, --for the White Christians!

No G.L.K. Smith. No Billy James Hoggis. No Citizen's Councils. No NSRP. NOBODY, --but red Jews, unitarian liberals, race-mixers, niggers and enemies of America.

Instead of DOING something to FIGHT for our Race and Nation, these leaders are all busy lying that I am an "agent" and a "red"!!!!

Truly it is discouraging. The White Race and our Christian civilization does not DESERVE to survive. We won't FIGHT anymore!

SHAME! SHAME! SHAME!
